
CREATING GREAT WIVES TO LIFT UP GOD'S GREATEST MEN

THE ROYAL
ACADEMY
FOR HIGH TIER WIVES

WHAT IS *She?*

SHE IS RESOURCEFUL

A High Tier Wife is resourceful. Her gifts allow her to bring in an income and fulfill her creative nature. She is able to stay in the home, put her husband and children first, but still find time to fulfill her creative calling for God. She paints, she draws, she writes, she teaches, and many come from far to purchase her services. God favors her talents and uses them to bring more people to Him. She understands the stewardship of finances and spends wisely but with joy. She is not frivolous but responsible, and her family's finances are safe with her.

SHE IS MODEST

A High Tier Wife is adorned in modesty. She dresses not to command the attention of the room but to glorify God. She understands her value; therefore, she never leads with her flesh. She knows what is appropriate and what is not and is even modest in the way she acts. She understands that how she presents herself represents her husband and her Lord and will not break the hearts of either with immodesty.

WHAT IS *She?*

SHE IS BEAUTIFUL

A High Tier Wife is beautiful to see. She understands that God made her to be beautiful and she enjoys it. She does it for him, not for the world. She understands that she's allowed to make an effort and she's allowed to enjoy her femininity. She does not seek the beauty standards of the world but instead, those of the Kingdom. Every morning, when she styles her hair and selects her lip color, she praises the Lord.

SHE IS PEACEFUL

A High Tier Wife is peaceful. She understands that if she is not rested, she becomes just like the world. She refuses to hurry and takes her time in all that she does. She is present with her children and a resting place for her husband. Her home is tranquil because of her heart. She stays within the anointing that God has given her, for she knows that if she would step out, her peace would step out also.

WHAT DOES SHE *Do?*

A High Tier Wife is the crown of her husband. She stewards her home well and raises her children for the Lord. She has learned how to speak to her husband with softness, and her femininity inspires him. She understands the importance of helping her husband become all that God calls him to be; therefore, she takes the anointing of a Wife seriously.

THE *Structure*

EACH SEMESTER

Each semester spans approximately eight weeks, allowing you to watch, absorb, and reflect on one video per week. After completing the videos, you will conclude the semester with an assignment. This will involve receiving a daily task via email, guiding you to apply what you have just learned.

REST

There is typically a 2 to 3-week break between each semester to ensure that you don't feel overwhelmed. High-tier women understand the importance of taking their time.

EXTRA

To provide you with a wealth of knowledge, I will recommend books that you can purchase if you wish to explore other topics further. Additionally, you'll receive a list of YouTube videos I've created on the subjects discussed during each rest period, which you can watch at your convenience if you choose.

PLUS! Get access to my voice note diaries and indulge in hours worth of extra classes on each semesters subject.

Little Details

DOES THE ACADEMY COME WITH 1:1?

It does not. This is intentional. All questions that you have from the content you see from me you are to take to God and then to your husband.

IS THERE A PAYMENT PLAN?

Absolutely. This is something that can be discussed individually.

WILL THIS TAKE UP A LOT OF MY TIME?

I avoid overwhelming my students with excessive information because I believe in the importance of rest. Each week, you will receive one video to watch therefore you'll receive roughly 8 videos each semester. You can choose what day to watch the video and create a schedule that works.
